School Board

Dr. Z. W. Killgore, Mr. Charles Parker, Mr. Leo Kelso, Mr. Edward Licking, Dr. Daniel Landron, Mr. Edward Rockwell, Mr. Homer Cusick.

The Board of Education is a very important governing body in any community. Its members give generously of their time and effort with very little monetary reward and, often, without much thanks.

We, in Michigan Center, have been very fortunate in our Board of Education for many years. Four of the present members (Mr. Licking, Mr. Cusick, Mr. Kelso, and Mr. Parker) have served on the board for fifteen years or more. During this period great strides have been made in the educational program of this community because of the fine teamwork displayed by these members.

This year our president, Mr. Licking, is retiring after fifteen years of devoted service to the youth of this community. We want to take this opportunity to thank him and to wish the rest of the Board of Education continued success in their efforts to provide good educational facilities for the young people of Michigan Center.

Class Poem

THE LAURELS OF '61

As our Senior Year comes to a close,
We all look back with sad repose.
On all the work, and loads of fun,
That made us what we here do shun.
The thought of leaving Center High,
With all the memories we prize so high.

There were some games, we wished we had won
Many things, too, we could have done.
We took what came whether good or ill,
Clung to our faith and honor still.
We played our best and did not whine,
For we had greater honors in mind.

Our plays were fun and we did our best,
To please our public and the rest.
The "Birds and the Boys," and the "Boarding
House Reach."

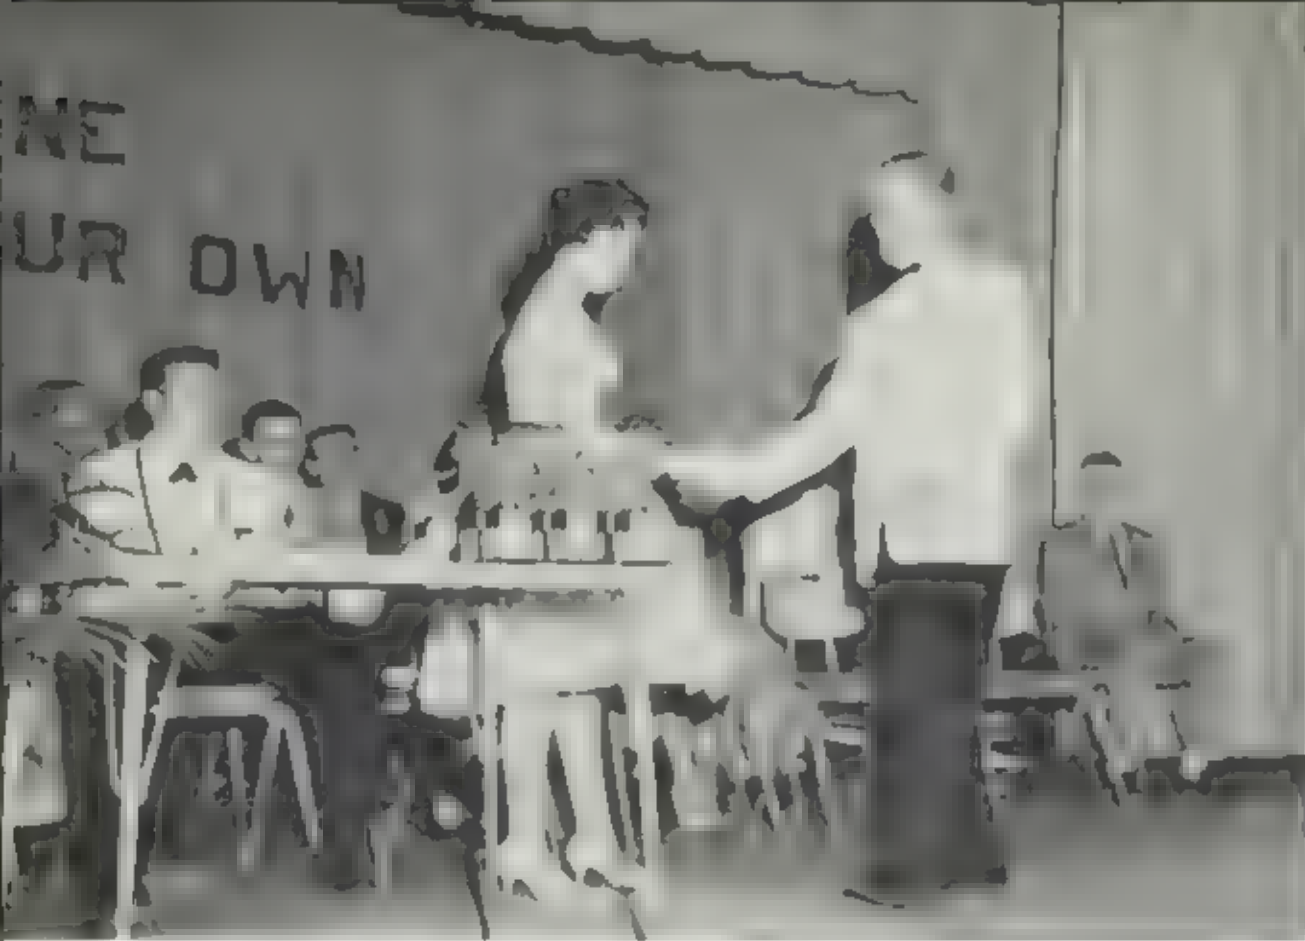

Helped us down a broader street,
We played our parts, with heads erect,
And held our honor and self-respect.

Our floats were many, though only one did win,
We tackled the job, with vigor and vim.
With tissue, and wire, and mesh and string,
We really constructed some pretty things.
We worked, and ate, sang and laughed,
Until our job was done at last.

Now we look back on the years that have passed,
Remembering the records of our grades here must
stand.

We will often think of those days as our best
So to meet each other and shake each hand,
Let us get together in years to come
To talk over the laurels of our class of '61.

The various contests were The Northern Division of District No. 8 Solo and Ensemble Festival, at which our school served as host, District Band Festival, and State Solo and Ensemble Festival winning for the year eleven first place honors and six second. GLEE CLUB—This excellent group rated a superior rating this year at the Michigan State Vocal Association Music Festival.

BOYS' CHORUS—This group of students continues with the Girls Glee Club to sing as a mixed chorus for various school and community programs.

The combined groups put on two concerts a year plus numerous other performances. The money earned by this group has purchased a set of collapsible risers and will pay partial scholarships for four to five members to attend summer music camp at Western Michigan University this coming summer. A select small chorus, Two Barbershop Quartettes, a Senior Girls' Sextette, and several soloists are taken from these groups.

Future Homemakers of America

The Future Homemakers of America is an organization to create better home makers and housewives. Each year the group puts on a style show for Open House to show off samples of the work that has been done during the preceding year.

Cooking and sewing are stressed and delicious and beautiful products come from the hands of the members.

Meetings of the group are held regularly and wonderful programs are planned for and by the girls.

The girls, many of whom are working toward State F.H.A. degrees, are always willing to help other organizations plan, prepare, and serve dinners and banquets.

Key Club

This club, one of the most active in the school, conducts an active program of service activities for the school and the community. Fund raising, contributions, plus services for the school are only some of their contributions.

Because of their achievements this year, our Key Club received the Gold Achievement Award in the state of Michigan. The Gold Award is presented to the outstanding Key Club having twenty-five members or more. Also at this convention of Key Clubs Chris White was elected Lt. Governor of District Eight Key Clubs. His work will be in connection with the Key Clubs and State offices. This year in a charity drive our Key Club won a hundred dollar bond with the entry of George Hogoboom and his astronaut costume. Voting was done by pennies throughout the city.

Football

Michigan Center's 1960-61 football team had one of the best seasons in Center's football history. Only in '36 and '45 was this year's team equaled.

The Cards won nine while losing none and ran up a total of 313 points compared to 72 for the opposition. Ron Isaac led the scoring with 14 touchdowns. Carter gained 2050 yards rushing while the opponents gained only 520 yards. This was a most impressive record.

Nine of 22 players named to the Cascade All-Conference team were members of the Center squad. Five of the nine were repeats from the preceding season.

All-Conference winners were (repeats listed first), Jason Chalfant, Don Holmes, Ron Isaac, Dave Losey, John Losey, Ed Disley, Mike Gilmore, John Harmon, and Ray Wooliever. Honorable mentions went to Ed Harris and Art Marr.

Ed Harris was the recipient of the Coaches' Award.

Varsity Facts

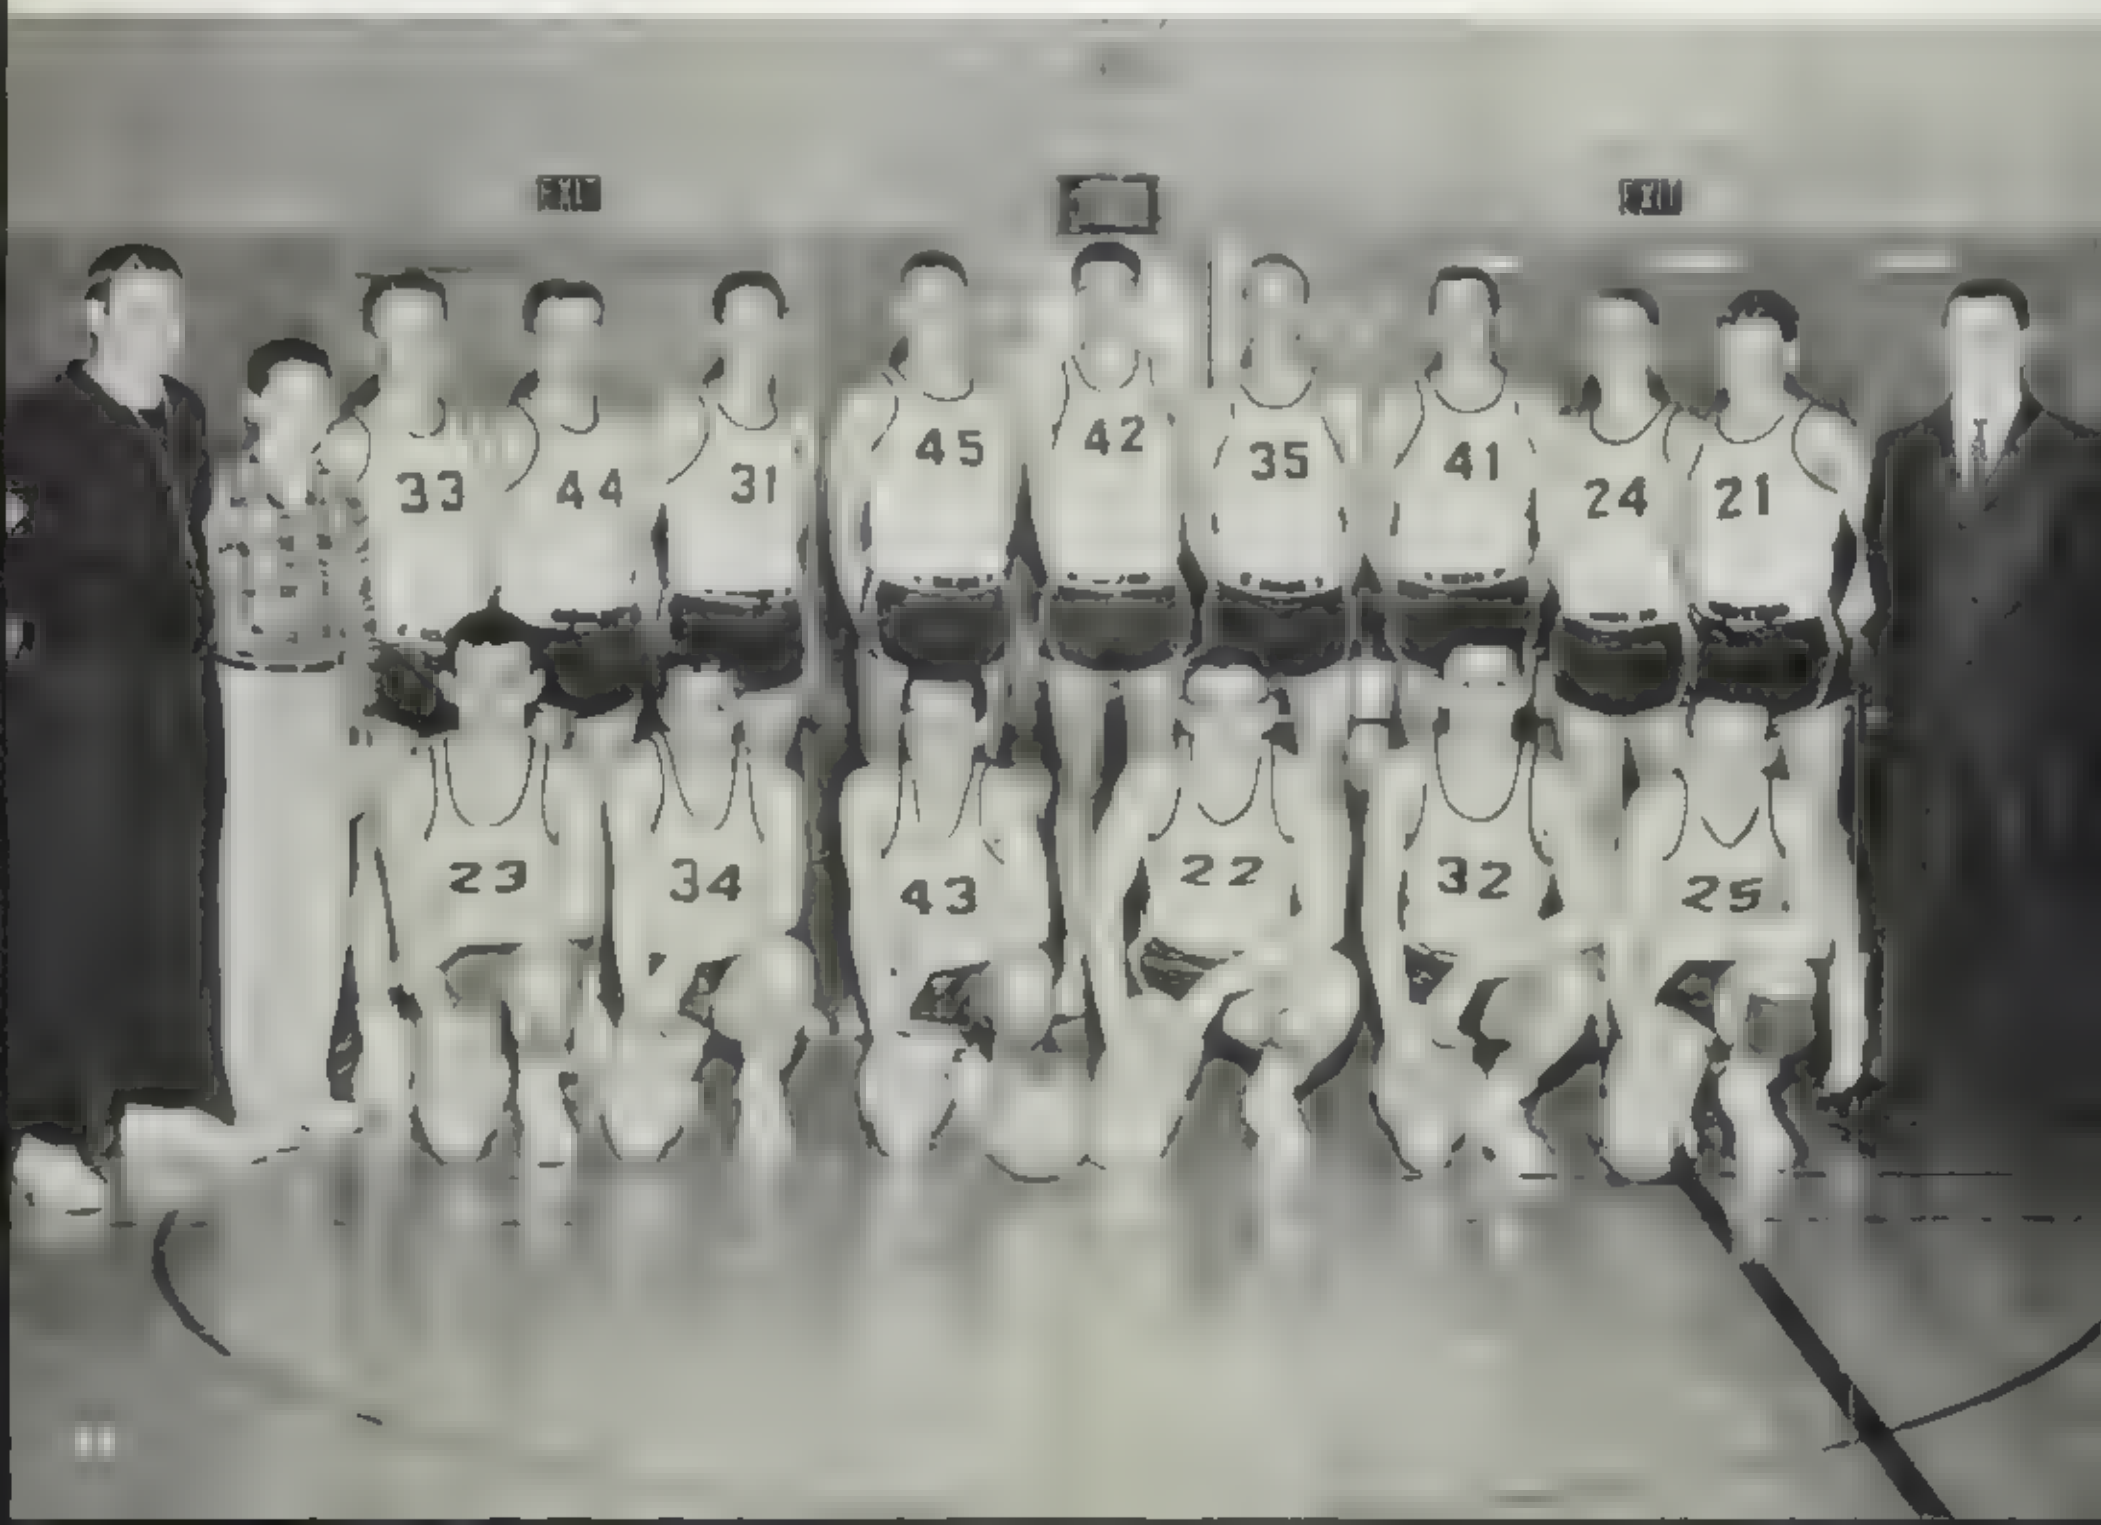

Michigan Center compiled an outstanding record of 18 wins and 2 losses during the 1960-1961 campaign. The Cardinals were co-champs with Western for the league title, District Class "B" Champions, and played outstanding ball in the Regional tourneys finally losing to River Rouge in the Regional final. River Rouge went on to become the state Class "B" Champions.

Center's fine team was led by All-Conference David Losey, the league's leading scorer, and Micheal Cutshaw, the league's second high leading scorer. Donald Sexton was also named to the All-Conference team along with Losey and Cutshaw. Losey and Cutshaw were not new to the ranks of All-Conference berths both having been chosen the preceding season as well.

The Cards ran up a total of 1342 points while the opponents scored only 961. Centerites can well be proud of the "Champs" of 1960-1961.

Congratulations, Seniors:

Congratulations, and the best of luck. Senior pictures are important, and there's no need to have yours, less than the best.

Confidentially, we have a wonderful gift for you, and a special gift for your parents, when you have your pictures made at Dunhanna.

Good pictures, personally posed, and lighted to show the "good" you, with special attention if you have a problem, is the kind of pictures you need. Dunhanna pictures "do" more for you. You will be proud to show and give your senior picture, by Dunhanna.

We have special student prices, that make the cost no greater than ordinary school pictures. You will get complete personal attention to every detail, to show the best that is you.

In fairness to yourself, you should have your picture taken by Dunhanna, and get your set of preview proofs. Then compare them with any other. You've nothing to lose, and much to gain by comparing Dunhanna pictures with other school pictures. Good luck.
